| Precipitation probability | | | | | |
| 30% | 20% | 20% | 20% | 50% | 70% |

**Forecast for Tuesday 25 Oct 2022**

**Weather:** A cloudy night with a few early morning showers, the odd clear spell developing. Some morning mist likely and remaining cloudy through the day although the sun might pop out for a time over the eastern side of Brecon Beacons. A few showers possible through the afternoon. Cloud thickening during the late afternoon and evening with an area of rain moving across the area in the evening.

**Chance of cloud-free hill tops above 600m:** 70%, cloud associated with showers around western areas will shroud the tops.

**Low cloud and visibility:** Patches or scattered low cloud around 5-600m during the day, especially around the western tops. Visibility will be generally good but may fall moderate in showers and any morning mist. Further low cloud layers will build during the evening as an area of rain spreads in.
